

**Business
Club**

商業社

Everyone most likely has a common goal in life, that is to...

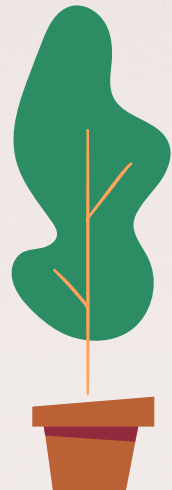

Make Money
Get Rich !!!!

Business club can help

Our club can help you in achieving your goal,
or at least develop a good base for you to
reach your goal, through gaining the
essential knowledge and skills!

**What exactly
will we do
during club
time?**

Contents

Basic Economic Knowledge

- Including Macro/microeconomics
- Just the basic tools to help you in understanding and evaluating things happening in the economy

Stock Analysis

- What are stocks? How to buy and sell?
- Understand things such as, Average, KD, MACD evaluations, etc.

Contents

Famous crisis/companies

- Through applying economic tools to understand the reasons behind why they happened or why they are successful

Business report

- An essential skill that many people may overlook
- What information to include to help others understand and convince why you are the best choice?

What we will also do.....

A bunch of research

- On industries or companies you like or are interested in
- Understand what they are doing and why they are successful
- Identify market trends or anything new that is happening around the world that can be impactful to the industry/company you are researching
- Choose what to invest or what not to invest
- Competition between different groups on who makes the most money in stock simulator!!!!
- **Winner gets prizes**

Club roles

01 Club president

02 Vice president

03 Treasurer

04 Social Media manager

Don't have it currently, so open for ppl who are interested!

Any positions/roles you can think of that can help the club can be up for discussion!!!!

Snacks/ parties

Every midterm and final, we will prepare drinks and food for club members including:

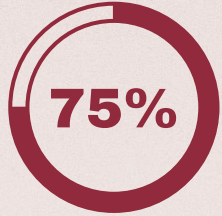

- 珍奶
- 雞排

We will also watch “educational” ;) movies and have a fun time!

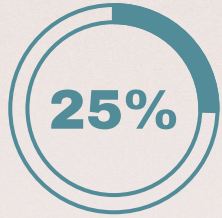

Who are suitable?

P.S. These are all things that can help you get into good colleges

Want to get into economic competitions, preparing for AP econ or Ecolympiad

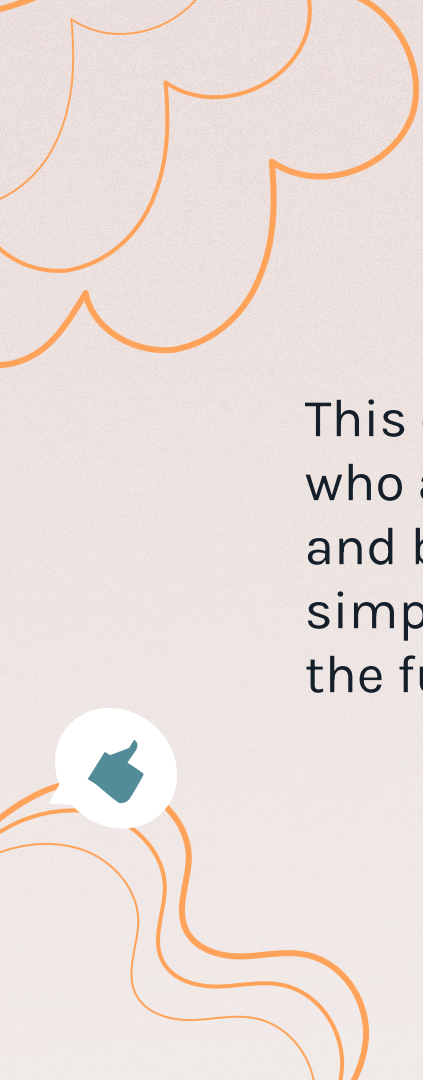

Want to get into business competitions such as MEC (Model Entrepreneur competition)

Want to learn about stocks and investments.

BUT

This club is really for anyone who are interested in economics and business related things or simply prepare themselves for the future!

“We don’t require any knowledge or skills before joining the club, we are all here to **learn** and have a **good time!**”
