

That Bio Club on Tuesday

FHJH Bio Soc

Come join us for 2025 Fall!

What We Do – Our “Traditions”

動物課 (Animal Classes)

Weekly **real-life interactions** with animals

From rabbits, chinchillas, parrots... to snakes, spiders, and toads! The range is wild.

What We Do – Our “Traditions”

Time

You have the whole semester prepare for it

- Work on it when there's no Animal Class the week

In the final 3 weeks, each group will conduct a 5-min presentation

Case Study Presentation

Dive deep into a species and research for its:

- Behavior
- Habitat
- Threats
- Fun Facts!

If you came upon any questions, feel free to ask the admins (details in slide 9)

Teammates

Teams of 1 to 4!

What We Do – Our “Traditions”

實作體驗 Hands-On Projects

Insect specimen
crafting, dried flower
art, and more
nature-inspired
creations 🦋🌸

What We Do – Our “Traditions”

Summer Special:

夜間野生動物觀察

**Nocturnal
Wildlife Watch**

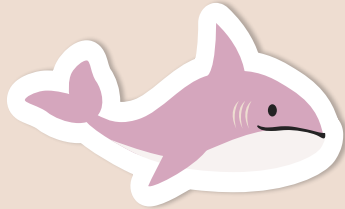

Spot owls, flying squirrels,
frogs, and the quiet pulse
of nature at night.

New Features (Under Discussion)

Aquarium Trip

Observe aquatic biodiversity in action

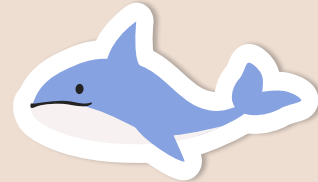

Stray Animal Volunteer Program

Support shelters and help promote ethical animal care

Beach Cleanup

Combine ecology & impact—restore habitats while bonding with your team

Policies (BOBA TEA)

Respectful Conduct

We're all here because we love nature. Respect each other and create a safe, welcoming space for all.

Phone Usage

No scrolling during club time! Phones are only for photos or notes. Let's be present—especially for the animals.

自習/Self-Study?

We understand that Fuhsing has an exceptional workload. On non-動物課 weeks, it's tolerated as long as you have made progress on your final presentation; on 動物課 weeks, please make sure you are paying attention to the teacher.

During midterm/finals/APs, we will have **official study weeks. With boba tea.** Hooray!

Policies

Reflection Records

During the animal classes, take notes. These might be your 靈感 for the final presentation.

Stay Updated

Check the club [Instagram account](#) for announcements and schedules. We don't want anyone left out!

On-Time Submissions

Projects and assignments have deadlines. Let's respect each other's time and keep things running smoothly.

Meet the Admins!

President: Tanya

11332069@st.fhjh.tp.edu.tw

Vice President: Jill

**Public Relations:
Kani**

Meet the Teachers!

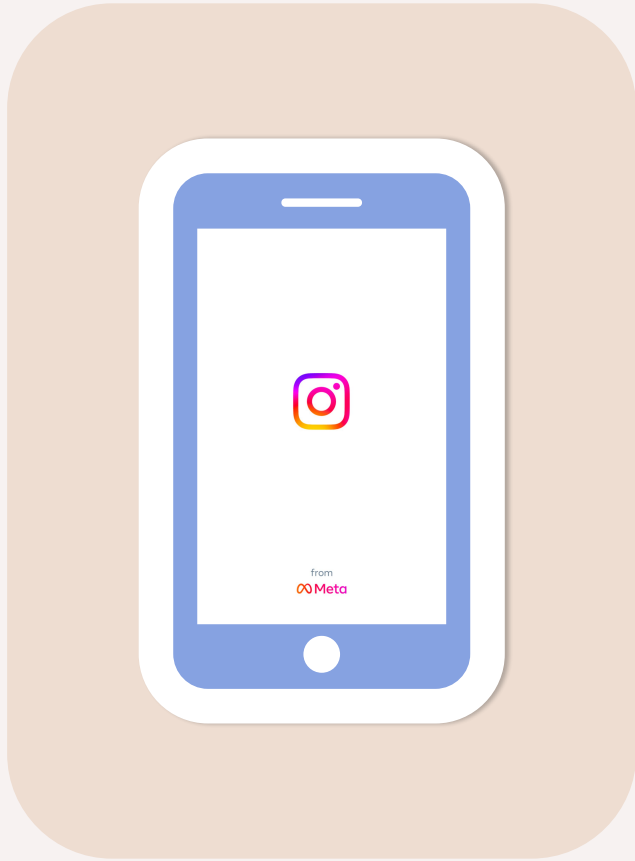

Club Teacher: Mr.Peng

Also the teacher of AP Bio and
AP Environmental Science!

Teacher Team:
Nature Pond 蝌蚪池
塘

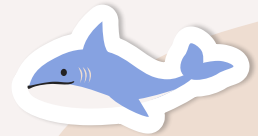

Brings the animals and
teaches us about them!

Follow Us!

Stay connected, see animals, get sneak peeks at our projects & behind-the-scenes fun!

Class Schedule

To Be Determined...but expect at least 10 animal classes per semester!

[Link to the schedule](#)

See you in
September!! ;)
