

RISE Club

Rising Innovators in Social Entrepreneurship

Taipei Fuhsing Private School

Grades 9-12.

From DECA to RISE: Adapting to Change

Challenge

DECA closed all international chapters outside the US

Response

Rename and restructure while maintaining core vision

Solution

Replace with equally prestigious competitions and partnerships

The club's mission, structure, and activities remain unchanged: the only difference lies in the competitions we participate in. What we hope is to inspire the next generation of leaders who excel in business while driving meaningful social change.

What is RISE?

Social Aspect

We believe leadership means creating positive impact

RISE fosters socially responsible entrepreneurs who give back to their communities.

Business Focus

RISE equips members with core business skills through strategy, marketing, and finance challenges.

Real-World Application

From real-world business simulations to case competitions and leadership training, RISE turns ideas into action.

Club Activities

1 Speaker Series (Bi-Monthly)

Bi-monthly talks with entrepreneurs, CEOs, and alumni.
Host both in club forums and school based ones.

2 Collaborative Charity Events

International fundraising initiatives with other clubs and schools.
Connect to entrepreneurship and budget management.

3 Business Competitions

Participate in prestigious national and international challenges
Train for roleplay, case studies, and written events.
Selected based on club interest.
Leadership Opportunity

Semester Plan Overview

Weekly meetings will include:

Competition

Preparation

In-depth training for upcoming competitions with practice sessions and group discussions

Guest Speakers

Industry professionals and Dr. Dino lecturing on relevant business topics

Charity Planning

Learning to budget and organize fundraising events for Semester 2 charity initiatives

Benefits

1 Hands-on Business Experience

Real-world simulations and case competitions complement academic courses.

3 Networking Opportunities

Connect with students, educators, and business professionals worldwide.

2 International Exposure

Global forums position our school on the world stage.

4 Social Impact

Charity events teach financial responsibility and community engagement.

Global Partnerships

Building new partnerships with students in Taiwan and abroad for:

-  **Joint Competitions**
Collaborating with international schools on business challenges
-  **Charity Projects**
Working across borders on social impact initiatives
-  **Cultural Exchange**
Gaining diverse perspectives and working across cultures

Negotiations for these collaborations have already been underway since July.

College Applications

Leadership & Initiative

Leadership positions in competitions and events

Uniqueness

Founding year of RISE

Social Entrepreneurship

Impact/Community Service

Through charity drives and collaborative events
